SUMMARY

Full Stack developer with hands-on internship experience, skilled in crafting responsive user interfaces, and dedicated to continuous professional growth.

PROFESSIONAL EXPERIENCE

Frontend Developer Hands-On Training - Kreativstorm **Berlin, Germany, Remote**

Unique creative agency that specializes in developing innovative and strategic solutions for businesses   *Jan 2024 – Feb 2024*

- Contributed significantly to the development of impactful user interfaces using HTML, CSS, and JavaScript, demonstrating a keen eye for design and attention to detail.
- Leveraged effective teamwork and communication skills to successfully execute frontend tasks, resulting in the creation of compelling and user-friendly web applications.
- Acquired invaluable practical insights into collaborative workflows and effective teamwork methodologies within the dynamic landscape of the current tech industry, enhancing adaptability and proficiency in real-world project environments.

Accountant - Kang Hydropower Company Pvt Ltd **Kathmandu, Nepal**

A startup hydropower company that developed innovative solutions for clean energy, successfully pioneering strategic approaches in the industry despite being in its early stages.   *Nov 2018 – Dec 2022*

- Oversaw financial transactions and maintained records for compliance
- Utilized Microsoft 365 tools, such as Excel and other applications, to streamline financial reporting processes, analyze data, and enhance overall efficiency in financial management.
